

5.4.1 -There is a registered Alumni Association that contributes significantly to the development of the institution through financial and/or other support services

Yearly meeting organised

The Alumni meeting was held once in a year. the following issues had been discussed in the meeting during the year 2020-21

1. Reviewed the campus renovation work and discussed the need for smart rooms.
2. College builds new sign board on campus
3. Bring as many textbooks as possible in the library and give them to the poor students at cheap rates
4. To make arrangement for every college student to take the exam in the corona epidemic
5. To make it easy for students from villages to get the ST bus pass from the college
