The management of our college has a definite vision of achieving excellence in being an ideal educational institution, which is being materialized by the sincere efforts of all concerned stakeholders. Our college is engaged in the pious work of modeling the young people who are the builders of the nation.
- The college was started with the noble aim of opening the doors of higher education to the rural youth to whom it was a distant dream. In the beginning, the College had a humble beginning with less than 150 students on the roll, but it has now grown into a major Centre of higher learning and is contributing towards enlarging and deepening the process of higher education in this rural and tribal area. At present it has student strength of over 3800. We were awarded “Best College Award” by Government of Gujarat.
- Our college has reached its present level due to dedicated team work of our teaching and administrative staff and constant support and encouragement from the management and the people of our area.
